

DIRECTIONS

get here

Since Franklin Boulevard and Agate Street get very busy, you may consider taking a slightly less congested route: 30th Avenue, 18th Avenue East, Patterson Drive, 13th Avenue East, Northbound Agate, and Villard Street are all possibilities.

Also, if you are accessing campus via westbound Franklin Boulevard, you must turn at the light onto 13th Avenue, then left onto Agate Street.

Eugene Area road construction updates are available at:
