

Family Housing and University Apartments Application

TYPE OR PRINT CLEARLY (application is also available online via DuckWeb at duckweb.uoregon.edu)
Only one application per household. Once you accept a housing assignment, your application will be canceled, and you will be removed from the waiting list. Knowingly furnishing false information will make you permanently ineligible for University Housing. You must meet eligibility requirements at time of application.

Apply as Early as Possible

University Housing is not guaranteed. Eligible students should apply as early as possible (after applying for admissions and/or a graduate program at the UO). Eligible applicants will be added to the wait list for Family Housing and University Apartments, and will be offered housing as soon as space becomes available, based on priority level, application date, and housing preferences.
